

*Help Us Celebrate 20 Years of
Sailing for Hospice
Southeastern Connecticut*

This year we celebrate 20 years of sailboat races in southeastern Connecticut, raising awareness of and funds for Hospice Southeastern Connecticut. What began as a one-day race out of Niantic Bay has grown to a number of races throughout the area allowing boats of all sizes and sailors of all ages to help raise money for Hospice Southeastern Connecticut.

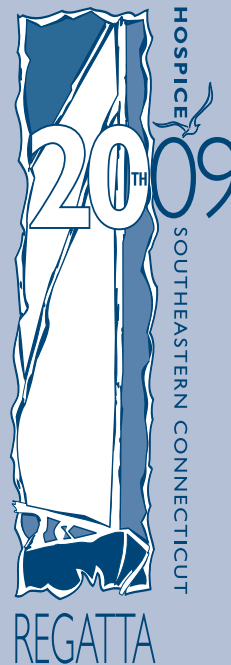

Last year, over 120 boats participated with at least 500 sailors in regattas ranging from Stonington to Niantic. Small dinghies to large racer/cruisers joined at various clubs for Hospice Regatta races throughout the summer. One of the area's largest races, the Mudhead Benefit Regatta in July, will once again be sailed as a fundraiser for Hospice Southeastern Connecticut.

All sponsors are recognized in the Hospice Southeastern Connecticut Annual Report, sent to 10,000 donors and friends, on our website and on signage at each race.

The Regatta Series benefits terminally ill patients and their families served by Hospice Southeastern Connecticut.
